

Newsweek Ranks 16 Select Medical Inpatient Rehabilitation Hospitals Among Nation's Best Physical Rehab Centers

MECHANICSBURG, PA, September 15, 2022 -- Select Medical today announced that 16 of its inpatient rehabilitation hospitals have been named to Newsweek's 2022 list of America's Best Physical Rehab Centers.

"For the second consecutive year we are pleased to see so many of our rehabilitation hospitals acknowledged by Newsweek for best-in-class care in their respective states and region," said Jeff Ruskan, president, inpatient rehabilitation hospital division, Select Medical. "These rankings attest to the exceptional care and outcomes our patients receive when they choose to heal and recover in our hospitals."

Newsweek's rankings are made on a state and regional basis. The 25 states with the most facilities were awarded individually and the remaining states were grouped into four regions: Northeast, Midwest, West and South.

Select Medical's state and regional rankings, include:
