PROXY SOLICITATION AND VOTING INFORMATION

Your vote is very important. In accordance with the rules and regulations adopted by the Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of the Company’s proxy materials to each stockholder of record, the Company may now furnish proxy materials including this Proxy Statement, the proxy card and the Company’s Annual Report on Form 10-K for the year ended December 31, 2011 (the “Annual Report”) to the Company’s stockholders by providing access to such documents on the Internet. Stockholders will not receive printed copies of the proxy materials unless requested. Instead, the Notice will instruct stockholders as to how they may access and review all of the proxy materials. The Notice also instructs stockholders how to submit a proxy through the Internet. If you would like to receive a paper copy or e-mail copy of your proxy materials, you should follow the instructions for requesting such materials included in the Notice. The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for any Internet access charges you may incur.

You may revoke your proxy at any time before it is voted by written notice to the Executive Vice President, General Counsel and Secretary of the Company, by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed and delivered proxies that are received before the Annual Meeting’s adjournment will be voted in accordance with the directions provided or, if no directions are provided, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than three, to whom you wish to give your proxy.

If you want to vote in person at the Annual Meeting and you hold shares of Company common stock in street name, you must obtain a proxy card from your broker and bring that proxy card to the Annual Meeting, together with a copy of a brokerage statement reflecting your stock ownership as of the record date.

Who can vote? Stockholders as of the close of business on March 5, 2012 are entitled to vote. On that day, 143,052,633 shares of common stock were outstanding and eligible to vote, and there were 109 registered holders. Each share is entitled to one vote on each matter presented at the Annual Meeting. A list of stockholders eligible to vote will be available at the offices of Select Medical Holdings Corporation, 4714 Gettysburg Road, Mechanicsburg, Pennsylvania beginning April 20, 2012. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

How does the Board of Directors recommend I vote? The Board of Directors recommends a vote FOR each Board of Directors nominee, FOR the approval of the executive compensation resolution and FOR ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm.

What shares are included in the proxy card? Each proxy card you receive represents all the shares of common stock registered to you in that particular account. You may receive more than one proxy card if you hold shares that are either registered differently or in more than one account. Each share of common stock that you own entitles you to one vote.

How do I vote by proxy? Most stockholders have three ways to vote by proxy: by telephone, via the Internet or by returning the proxy card. To vote by telephone or via the Internet, follow the instructions set forth on each proxy card you receive. To vote by mail, sign and date each proxy card you receive, mark the boxes indicating how you wish to vote and return the proxy card in the postage-paid envelope provided. Do not return the proxy card if you vote via the Internet or by telephone.

How are votes counted? The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Annual Meeting in person or by proxy. Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. With respect to Proposal 1, because directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote, abstentions will have no effect on the election of directors. Because Proposals 2 and 3 require for approval the affirmative vote of a

majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote, any abstentions will have the effect of votes against and any broker non-votes will not have any effect on these proposals.

Who will count the vote? The Company's Transfer Agent and Registrar, Computershare Shareowner Services LLC, will tally the vote.

Who is soliciting this proxy? Solicitation of proxies is made on behalf of the Board of Directors of the Company. The Company will pay the cost of preparing, assembling and mailing or otherwise making available the Notice of Internet Availability of Proxy Materials and the notice of the Annual Meeting, proxy statement and proxy card. In addition to the use of mail, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation, in person or by telephone or other electronic means. The Company will reimburse brokerage houses and other nominees for their expenses in forwarding proxy material to beneficial owners of the Company's common stock.

What if I can't attend the meeting? If you are unable to attend the meeting in person and you intend to vote, you must vote your shares by proxy, via the Internet or by telephone by the applicable deadline.

CORPORATE GOVERNANCE

In accordance with the Delaware General Corporation Law and the Company's Restated Certificate of Incorporation and Amended and Restated Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Although the Company's non-management directors are not involved in the day-to-day operating details, they are kept informed of the Company's business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by the officers of the Company at meetings of the Board of Directors and committees of the Board of Directors.

Independence

In 2012, the Board of Directors undertook a review of the independence of the Company's directors and considered whether any director has a material relationship with the Company that could compromise his ability to exercise independent judgment in carrying out his responsibilities. The Board of Directors has determined that five of the Company's nine current directors are "independent" as defined in the applicable listing standards of the New York Stock Exchange (the "NYSE"). The following directors were determined to be independent: Bryan C. Cressey, James E. Dalton, Jr., James S. Ely III, William H. Frist, M.D. and Leopold Swergold.

Meetings of the Board of Directors and Stockholders

It is the policy of the Board of Directors to meet at least quarterly. The Board of Directors held four meetings in fiscal year 2011. During fiscal year 2011, each of the current directors attended all of the meetings of the Board of Directors and any respective committee meetings of which they are a member. It is also the policy of the Board of Directors that the independent members of the Board of Directors meet at regularly scheduled executive sessions of the Board of Directors without management. An independent director serves as the presiding director over such executive sessions (the "Presiding Director"). The independent director serving as the Presiding Director rotates quarterly, based on alphabetical order by last name. In addition, the Company's directors are expected to attend annual meetings of stockholders, and all of the Company's directors who were serving as directors at the time of the 2011 annual meeting, except for Messrs. Russell L. Carson and Thomas A. Scully, attended the 2011 annual meeting of stockholders.

Corporate Governance Matters

The Board of Directors adopted corporate governance guidelines in September 2009, which can be found on the Company's website at www.selectmedicalholdings.com. Under these guidelines, directors are expected to advise the Chairman of the Board of Directors and the Chairman of the Nominating and Corporate Governance Committee prior to accepting any other public company directorship or any assignment to the audit committee or compensation committee of the board of directors of any public company of which such director is a member. Directors are also expected to report changes in their business or professional affiliations or responsibilities, including retirement, to the Chairman of the Board of Directors and the Chairman of the Nominating and Corporate Governance Committee. A director is expected to offer to resign if the Nominating and Corporate Governance Committee concludes that the director no longer meets the Company's requirements for service on the Board of Directors. There are no pre-determined limitations on the number of other boards of directors on which the Company's directors may serve; however, the Board of Directors expects individual directors to use their judgment in accepting other directorships and to allow sufficient time and attention to Company matters. There are no set term limits for directors. As an alternative to term limits, the Nominating and Corporate Governance Committee will review each director's continuation on the Board of Directors every three years.

Communications with the Board of Directors

If you would like to communicate with all of the Company's directors, please send a letter to the following address: Select Medical Holdings Corporation, Attention: Board of Directors c/o Michael E. Tarvin, Executive Vice President, General Counsel and Secretary, 4714 Gettysburg Road, Mechanicsburg, Pennsylvania, 17055. The Company's Secretary will forward such communication to each of the members of the Board of Directors.

If you would like to communicate with the independent members of the Board of Directors, including the Presiding Director, please send a letter to the following address: Select Medical Holdings Corporation, Attention: Chairperson of the Nominating and Corporate Governance Committee c/o Michael E. Tarvin, Executive Vice President, General Counsel and Secretary, 4714 Gettysburg Road, Mechanicsburg, Pennsylvania, 17055. The Company's Secretary will forward such communication to the independent members of the Board of Directors.

Code of Conduct and Code of Ethics

The Company is committed to ethical business practices. In 1998, Select Medical Corporation, the Company's wholly owned subsidiary ("Select"), voluntarily adopted a Code of Conduct. The Code of Conduct is reviewed and amended as necessary and is the basis for the Company's compliance program. The Code of Conduct provides guidelines for principles and regulatory rules that are applicable to the Company's patient care and business activities. These guidelines are implemented by a compliance officer, a compliance committee, and employee education and training. The Company has also established a reporting system, auditing and monitoring programs, and a disciplinary system as a means for enforcing the Code of Conduct's policies. This Code of Conduct applies to all of the Company's employees and directors. In September 2009, the Company adopted a Code of Ethics for Senior Financial Officers, which includes the code of ethics for the Company's principal executive officer, principal financial officer and principal accounting officer within the meaning of the SEC regulations adopted under the Sarbanes-Oxley Act of 2002. The Code of Conduct and Code of Ethics for Senior Financial Officers can be found on the Company's website at www.selectmedicalholdings.com. Any amendments to the Code of Conduct or Code of Ethics for Senior Financial Officers or waivers from the provisions of the Code of Conduct or the Code of Ethics for Senior Financial Officers for the Company's principal executive officer, principal financial officer and principal accounting officer will be disclosed on the Company's website promptly following the date of such amendment or waiver. Please note that none of the information on the Company's website is incorporated by reference in this Proxy Statement.

Board Leadership

The Board of Directors does not have a formal policy on whether the roles of Chief Executive Officer and Chairman of the Board of Directors should be separate. However, since its inception, the Company has had separate individuals serve in those positions. Since 2005, the Company's Board of Directors has been led by Rocco A. Ortenzio as Executive Chairman, and Robert A. Ortenzio has served as the Company's Chief Executive Officer. The Board of Directors has carefully considered its leadership structure and believes at this time that the Company and its stockholders are best served by having the positions of Executive Chairman and Chief Executive Officer filled by different individuals. This allows the Chief Executive Officer to, among other things, focus on the Company's day-to-day business, while allowing the Executive Chairman to lead the Board of Directors in its fundamental role of providing advice and oversight of management. Further, the Board of Directors believes that having the Executive Chairman serve dual roles as chairman of the Board of Directors and as an executive officer of the Company promotes information flow between management and the Board of Directors, effective decision making and an alignment of corporate strategy. Moreover, the Board of Directors believes that its other structural features, including five independent directors and seven non-management directors on a board consisting of nine directors, regular meetings of independent directors in executive session and key committees consisting wholly of independent directors, provide for substantial independent oversight of the Company's management. However, the Board of Directors recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, the Board of Directors will continue to periodically review its leadership structure.

Risk Oversight

The Company faces a number of risks, including regulatory risk, credit risk, liquidity risk, reputational risk and risk from adverse fluctuations in interest rates. Management is responsible for the day-to-day management of risks faced by the Company, while the Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors seeks to ensure that the risk management processes designed and implemented by management are adequate. The Board of Directors periodically consults with management regarding the Company's risks.

While the Board of Directors is ultimately responsible for risk oversight, the Company's three board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit and Compliance Committee assists the Board of Directors in overseeing risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and periodically reviews with management, internal auditors and independent auditors the adequacy and effectiveness of the Company's policies for assessing and managing risk. The Compensation Committee assists the Board of Directors in oversight and management of risks related to the Company's compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board of Directors in oversight and management of risk associated with board organization, membership and structure, succession planning for our directors and officers and corporate governance.

Committees of the Board of Directors

The Board of Directors currently has three standing committees. Charters for each of these committees can be found on the Company's website at www.selectmedicalholdings.com.

Audit and Compliance Committee—The Audit and Compliance Committee is governed by a written charter adopted in February 2010. The primary responsibility of the Audit and Compliance Committee is to oversee the Company's financial reporting process and compliance program on behalf of the Board of Directors and to regularly report the results of its activities to the Board of Directors. The Audit and Compliance Committee assists the Board of Directors in the oversight of the integrity of the Company's financial statements and financial reporting process, the systems of internal accounting and financial controls, the performance of the Company's internal audit function and independent auditors, the independent auditor's qualifications and independence, the annual independent audit of the Company's financial statements, the selection and performance of the Company's compliance officer, the effectiveness of the structure and operations of the Company's compliance program, the Company's compliance with each of the Company's Code of Conduct and the Code of Ethics for Senior Financial Officers and other legal compliance and ethics programs established by management and the Board of Directors and the Company's compliance with applicable legal and regulatory requirements. In so doing, the Audit and Compliance Committee is responsible for maintaining free and open communication among its members, the independent registered public accounting firm, the internal auditors and the Company's management. A detailed list of the Audit and Compliance Committee's functions is included in its charter. The Audit and Compliance Committee charter is annually reviewed and ratified by the Audit and Compliance Committee and the Board of Directors.

The current members of the Audit and Compliance Committee are Messrs. Dalton, Ely and Swergold. The composition of the Audit and Compliance Committee satisfies the independence and financial literacy requirements of the NYSE and the SEC. The financial literacy standards require that each member of the Audit and Compliance Committee be able to read and understand fundamental financial statements. In addition, at least one member of the Audit and Compliance Committee must qualify as an "audit committee financial expert," as defined by the rules and regulations of the SEC, and have financial sophistication in accordance with the rules of the NYSE. The Board of Directors has determined that each of the Audit and Compliance Committee members qualifies as an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K. Also, each member of the Audit and Compliance Committee is independent, as independence for audit committee members is defined in the applicable NYSE listing standards. The Audit and Compliance Committee held seven meetings during fiscal year 2011.

Compensation Committee—The Compensation Committee is governed by a written charter adopted in September 2009, which became effective as of the time the Company's common stock was first listed on the NYSE. The Compensation Committee has overall responsibility for evaluating and approving the Company's executive officer and director compensation plans, policies and programs, as well as all equity-based compensation plans and policies. The Compensation Committee is also responsible for preparing the Compensation Discussion and Analysis report for inclusion in the Company's annual proxy statement filed with the SEC. The Compensation Committee charter is annually reviewed and ratified by the Compensation Committee and the Board of Directors.

The current members of the Compensation Committee are Messrs. Cressey and Swergold, both of whom the Board of Directors has determined in its business judgment are independent as defined in the applicable NYSE listing standards. The Compensation Committee held six meetings during fiscal year 2011.

Nominating and Corporate Governance Committee—The Nominating and Corporate Governance Committee is governed by a written charter adopted in September 2009, which became effective as of the time the Company's common stock was first listed on the NYSE. The Nominating and Corporate Governance Committee is appointed to (i) identify individuals qualified to serve on the Board of Directors and board committees; (ii) recommend to the Board of Directors nominees for election to the Board of Directors at annual meetings of stockholders; (iii) recommend to the Board of Directors nominees to serve on each of the board committees; (iv) lead the Board of Directors in its annual review of the performance of the Board of Directors and management; (v) monitor the Company's corporate governance structure; and (vi) develop and recommend to the Board of Directors any proposed changes to the Company's corporate governance guidelines. The Nominating and Corporate Governance Committee identifies individuals, including those recommended by stockholders, believed to be qualified as candidates for Board of Directors membership. The Nominating and Corporate Governance Committee has the authority to retain search firms to assist it in identifying candidates to serve as directors. In addition to any other qualifications the Nominating and Corporate Governance Committee may in its discretion deem appropriate, all director candidates, at a minimum, should possess the highest personal and professional ethics, integrity and values and be committed to representing the best interests of the stockholders. In identifying candidates, the Nominating and Corporate Governance Committee will also take into account other factors it considers appropriate, which include ensuring a majority of directors satisfy the independence requirements of the NYSE, the SEC or other appropriate governing body and that the Board of Directors as a whole is comprised of directors who have the appropriate experience, expertise and perspective that will enhance the quality of the Board of Directors' deliberations and decisions. While the Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee and the Board of Directors believe it is essential that the Board of Directors is able to draw on a wide variety of backgrounds and professional experiences among its members. The Nominating and Corporate Governance Committee desires to maintain the Board of Directors' diversity through the consideration of factors such as education, skills and relevant professional experience. The Nominating and Corporate Governance Committee does not intend to nominate representational directors, but instead considers the entirety of each candidate's credentials in the context of these standards and the characteristics of the Board of Directors in its entirety. The Nominating and Corporate Governance Committee will conduct appropriate inquiries with respect to the backgrounds and qualifications of all director candidates. Once the Nominating and Corporate Governance Committee has completed its review of a candidate's qualifications and conducted the appropriate inquiries, the Nominating and Corporate Governance Committee will make a determination whether to recommend the candidate for approval by the Board of Directors. If the Nominating and Corporate Governance Committee decides to recommend the director candidate for nomination by the Board of Directors and such recommendation is accepted by the Board of Directors, the form of proxy solicited by the Company will include the name of the director candidate. The Nominating and Corporate Governance Committee charter is annually reviewed and ratified by the Nominating and Corporate Governance Committee and the Board of Directors.

The Nominating and Corporate Governance Committee considers stockholder nominees for directors in the same manner as nominees for director from other sources. Stockholder suggestions for nominees for director should be submitted to the Secretary or Assistant Secretary no later than the date by which stockholder proposals for action must be submitted and should include the following information: (i) the name and address of the stockholder making the recommendations, (ii) a representation that the stockholder is a holder of record, which should include the number of shares presently held and how long the shares have been held, (iii) a description of any and all arrangements or understandings between the stockholder making the recommendation and the director candidate, and (iv) all information regarding the director candidate that is required to be included in a proxy solicitation for the election of directors.

The current members of the Nominating and Corporate Governance Committee are Messrs. Dalton and Swergold, both of whom the Board of Directors has determined in its business judgment are independent as defined in the applicable NYSE listing standards. The Nominating and Corporate Governance Committee held two meetings during fiscal year 2011.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is composed entirely of independent directors, and currently consists of Messrs. Cressey and Swergold. The Board of Directors has determined that Messrs. Cressey and Swergold are each independent under the NYSE listing standards currently in effect. The Compensation Committee administers the Company's executive compensation program. The role of the Compensation Committee is to oversee the Company's compensation and benefit plans and policies, to administer the Company's equity plans (including reviewing and approving equity grants to officers and directors) and to review and approve annually all compensation decisions relating to directors and elected officers, including those for the Company's Chief Executive Officer and the other executive officers named in the Summary Compensation Table ("named executive officers" or "NEOs"). The Compensation Committee works with management to develop relationships between pay levels, financial performance and returns to stockholders in order to align the Company's compensation structure with the Company's organizational objectives. The charter of the Compensation Committee authorizes the Compensation Committee to confer with management to the extent it deems necessary or appropriate to fulfill its responsibilities.

The Compensation Committee discharges the responsibilities of the Board of Directors relating to the compensation of the Company's executive officers and directors. The Compensation Committee has overall responsibility for evaluating and approving executive officer and director compensation plans and policies. The specific responsibilities and functions of the Compensation Committee are delineated in the charter of the Compensation Committee.

Compensation Consultant

The Compensation Committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the Compensation Committee. In fiscal year 2011, the Compensation Committee engaged McDaniel & Associates, Inc. to provide an analysis of the Company's executive officer and non-employee director compensation programs, as well as an analysis of the Company's equity compensation programs. This engagement is described in detail below in the section titled "Committee Process; Compensation Consultant" in the Compensation Discussion and Analysis section of this Proxy Statement.

Role of Executive Officers

At the request of the Compensation Committee, the Company's Chief Executive Officer participates in Compensation Committee meetings and recommends levels of compensation for the other NEOs. However, the Compensation Committee makes the final determination regarding the compensation of the NEOs. No other executive officer participates in determining or recommending the amount or form of executive compensation.

Compensation Committee Interlocks and Insider Participation

No current member of the Compensation Committee is or has been at any time one of the Company's officers or employees. None of the Company's executive officers currently serves, or has served during the last completed fiscal year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis section of this Proxy Statement with management, and based on the Compensation Committee's review and discussion with management, the Compensation Committee recommended to the Company's Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Objectives of the Company's Executive Compensation Policy

Introduction. This Compensation Discussion and Analysis ("CD&A") provides an overview of the Company's executive compensation program, together with a description of the material factors underlying the decisions which resulted in the compensation provided for 2011 to the Company's Executive Chairman, Chief Executive Officer, President, President and Chief Development & Strategy Officer and Chief Financial Officer, as presented in the tables which follow this CD&A. This CD&A contains statements regarding certain performance targets and goals the Company has used or may use to determine appropriate compensation. These targets and goals are disclosed in the limited context of the Company's compensation program and should not be understood to be statements of management's expectations or estimates of financial results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

Compensation Philosophy. The Company's compensation philosophy for NEOs is designed with the primary goals of rewarding the contributions of NEOs to the Company's financial performance and providing overall compensation sufficient to attract and retain highly skilled NEOs who are properly motivated to contribute to the Company's financial performance. The Company generally seeks to achieve its goals with respect to NEOs' compensation by implementing and maintaining incentive plans for such executive officers that tie a substantial portion of each NEO's overall compensation to pre-determined financial goals relating to the Company's return on equity and earnings per share. The Compensation Committee also grants the NEOs restricted stock awards from time to time which, subject to limited exceptions, require the NEO's continued employment for a minimum of three years prior to vesting.

Committee Process; Compensation Consultant. The Compensation Committee meets as often as necessary to perform its duties and responsibilities. During 2011, the Compensation Committee met six times. The Compensation Committee's meeting agenda is normally established by the Company's Chief Executive Officer in consultation with the chairman and members of the Compensation Committee. Members of the Compensation Committee receive the agenda and related materials in advance of each meeting. Depending on the meeting's agenda, such materials may include financial reports regarding the Company's performance, reports on achievement of individual and Company objectives and information regarding the Company's compensation programs.

The Compensation Committee periodically reviews overall compensation levels to ensure that performance-based compensation represents a sufficient portion of total compensation to promote and reward executive officers' contributions to the Company's performance. Both members of the Compensation Committee have extensive experience in the healthcare industry, including a focus on structuring appropriate executive compensation for healthcare companies. In setting the compensation for the NEOs, the Compensation Committee members draw on their collective experience in the healthcare industry and knowledge of investors' goals and do not engage in benchmarking.

During the first half of the 2011 fiscal year, the Compensation Committee engaged McDaniel & Associates, Inc. ("McDaniel") to provide information about executive officer and non-employee director compensation for comparable companies within the Company's industry, as well as to advise in the structuring of the Company's 2011 Equity Incentive Plan (the "2011 Equity Plan"), which was approved by the Company's stockholders at our 2011 annual meeting. In preparing this information, McDaniel reviewed compensation information from the Towers/Watson Healthcare Management Compensation Survey (for those organizations in the healthcare sector with annual revenue ranging between \$1 billion and \$5 billion—median annual revenue for the surveyed companies was \$2.8 billion) and the Integrated Healthcare Strategies Executive Compensation Report (for healthcare companies with revenues ranging between \$1 billion and \$3 billion—median revenues for the surveyed companies was \$1.9 billion). McDaniel also reviewed publicly available compensation information from 17 companies in the healthcare facilities and services business with revenues ranging between \$900 million

and \$5 billion (median revenue was \$1.9 billion) and market capitalization ranging between \$615 million and \$3.6 billion (median market capitalization was \$1.8 billion). These 17 companies include:

Amedisys, Inc.	Emeritus Corp.	Mednax, Inc.
Brookdale Senior Living, Inc.	Gentiva Health Services, Inc.	Rehabcare Group
Catalyst Health Solutions, Inc.	Health Management Associates, Inc.	Res-Care, Inc.
Chemed Corp.	Healthsouth Corp.	Sunrise Senior Living, Inc.
Community Health Systems, Inc.	Lifepoint Hospitals, Inc.	Team Health Holdings, Inc.
Emergency Medical Services Corp.	Lincare Holdings, Inc.	

The Compensation Committee reviewed the information prepared by McDaniel at its May 13, 2011 meeting, but did not make any changes to the NEOs' base salaries or bonus opportunities at that time. However, as described below in the Section titled "2012 Compensation Decisions," the Compensation Committee did adjust each NEO's base salary for 2012, as well as the 2012 bonus opportunities for Messrs. Robert Ortenzio, Chernow and Jackson and certain other executive officers, at its December 15, 2012 meeting in part based on its review of the compensation information provided by McDaniel. In addition, the Compensation Committee determined at its meeting on December 15, 2011 to award each of the NEOs other than Mr. Chernow restricted stock grants under our 2011 Equity Plan. These grants are described below in detail in the section titled "Equity Compensation." In making such restricted stock grants, the Compensation Committee considered the information provided by McDaniel which showed that the annual long-term equity award opportunities for Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice were well below the annual long-term equity award opportunities for their counterparts at comparable companies. The Compensation Committee, in awarding such restricted stock grants, also considered our grant history to such NEOs, which did not include any equity award grants since 2009. Based on the foregoing, the Compensation Committee concluded that restricted stock awards for such NEOs were necessary to ensure that they are adequately incentivized and that their long-term interests are properly aligned with those of our stockholders. The Compensation Committee determined that Mr. Chernow's 2010 initial hire restricted stock grant provided a sufficient level of incentive and adequately aligned his long-term interests with those of our stockholders. Accordingly, Mr. Chernow did not receive a 2011 restricted stock grant.

The Compensation Committee did not engage in any benchmarking or otherwise attempt to set compensation levels within a specific range of any of the companies identified by McDaniel when determining the amount of each NEO's restricted stock award. Instead, the number of shares of restricted stock granted to each NEO was determined by the Compensation Committee using its collective experience in the healthcare industry.

Role of Chief Executive Officer in Compensation Decisions. At the request of the Compensation Committee, the Company's Chief Executive Officer participates in Compensation Committee meetings and recommends levels of compensation for the other NEOs. However, the Compensation Committee makes the final determination regarding the compensation of the NEOs.

Risk Assessment

The Compensation Committee meets periodically each fiscal year to review the Company's executive compensation policies and programs to ensure that they are appropriate. The Compensation Committee also determines each year whether incentive compensation will be awarded to the Company's non-executive employees. After considering the various forms of compensation paid to the Company's employees, the Compensation Committee has concluded that the Company's compensation policies and programs are not reasonably likely to have a material adverse effect on the Company. This conclusion is based on the following factors:

- A majority of the Company's employees do not receive any performance-based compensation;
- A significant portion of the compensation paid to the Company's employees who are eligible to receive performance-based compensation consists of base salary, which is not dependent upon the Company's performance;

- The Company's bonus program for executive officers includes safeguards that reduce the incentive to engage in risky behavior. For example, the Company's Executive Bonus Plan limits the amount of bonus compensation that participants may receive (regardless of how well the Company performs) and provides the Compensation Committee with the discretion to reduce the bonus awards otherwise payable to participants thereunder; and
- The Company's executive officers currently own, and historically have owned, a significant percentage of the outstanding common stock of the Company. Such ownership interest reduces the incentive for the Company's executive officers to engage in actions designed to achieve only short-term results.

Consideration of Stockholder Advisory Vote on Executive Compensation

In determining and approving the compensation of our NEOs, the Compensation Committee monitors the results of the Company's annual advisory vote on executive compensation. The Company's stockholders overwhelmingly approved our executive compensation program at our last annual meeting, with 139,980,922 votes for approval, 881,898 votes against, 888,150 abstentions and 4,093,775 broker non-votes. Although this vote is non-binding, the Compensation Committee viewed this unequivocal endorsement of our executive compensation decisions and policies as an additional factor supporting the Compensation Committee's conclusion that our existing approach to executive compensation has been successful for the Company.

Elements of Compensation

Executive compensation for any Company fiscal year generally consists of a combination of the following elements, each of which is discussed in further detail in the sections that follow:

- Base Salary;
- Annual Performance-Based Bonuses;
- Equity Compensation;
- Perquisites and Personal Benefits; and
- General Benefits.

In prior years, the Company's NEOs were also eligible to earn compensation pursuant to a long-term cash incentive plan, as described below.

In addition to the compensation components listed above, each of the NEOs is party to either an employment agreement or a change in control agreement with Select that provides for post-employment severance payments and benefits in the event of employment termination under certain circumstances.

Base Salary

Base salaries are provided to the NEOs to compensate them for services rendered during the year. Consistent with the Company's philosophy of placing increasing emphasis on performance-based compensation, the Compensation Committee sets the base salaries for the NEOs at levels which it believes are competitive for the healthcare industry when combined with the Company's incentive programs. The Compensation Committee periodically reviews base salaries for the NEOs. During the 2011 fiscal year, the Compensation Committee decided not to increase any NEO's base salary for such fiscal year. However, as described below in the section titled "2012 Compensation Decisions," in December 2011, the Compensation Committee approved increases to the annual base salary for each NEO effective January 1, 2012.

2011 Named Executive Officer Annual Performance-Based Bonuses

Annual cash bonuses are included as part of the executive compensation program because the Compensation Committee believes that a significant portion of each NEO's compensation should be contingent on the Company's financial performance. Accordingly, the Company has historically maintained a bonus plan under which NEOs are eligible to receive annual cash bonuses based upon the achievement of specific performance measures.

For the 2011 fiscal year, each of the NEOs participated in the Company’s Executive Bonus Plan (the “Executive Bonus Plan”). The Executive Bonus Plan was implemented in order to allow the Compensation Committee to grant bonus compensation to the Company’s NEOs that qualifies as “performance-based compensation” under Section 162(m) (“Section 162(m)”) of the Internal Revenue Code of 1986, as amended (the “Code”). Compensation that qualifies as “performance-based compensation” is not subject to the \$1 million cap on deductibility imposed by Section 162(m).

Under the terms of the Executive Bonus Plan, eligible employees, including the NEOs, may earn bonus compensation based on the achievement of pre-determined performance goals, such as earnings per share, return on equity, return on assets, sales, stock price and operating income. In connection with establishing the performance goals for each performance period, the Compensation Committee will determine the amount of bonus compensation that may be paid to participants upon the achievement of the relevant performance goals. However, no participant may receive a bonus in excess of the lesser of 250% of his or her base salary as of the first day of the performance period or \$2.5 million. In addition, the Compensation Committee may decrease, but not increase, each participant’s bonus award in its sole discretion. In the event that a participant earns a bonus under the Executive Bonus Plan, such bonus will be paid either in cash or in shares of restricted stock under the Company’s equity compensation plans.

Bonuses under the Executive Bonus Plan for the 2011 fiscal year were based on the Company’s achievement of specified levels of earnings per share and return on equity. The Compensation Committee selected earnings per share and return on equity as the performance measures for 2011 bonuses because the Compensation Committee believes that each of these metrics is directly related to the creation of stockholder value. For 2011, the Compensation Committee established target and maximum earnings per share levels of \$0.73 and \$0.84, respectively, and established target and maximum return on equity levels of 12.47% and 13.41%, respectively. The target level of earnings per share represents an increase of 52% over the Company’s 2010 earnings per share.

The Compensation Committee approved the following performance matrix to calculate NEO bonuses under the Executive Bonus Plan for the 2011 fiscal year:

Actual Return on Equity	Actual Earnings Per Share													
	\$0.70	\$0.71	\$0.72	\$0.73	\$0.74	\$0.75	\$0.76	\$0.77	\$0.78	\$0.80	\$0.81	\$0.82	\$0.83	\$0.84
12.10%	50%	60%	70%	80%	90%	100%	110%	120%	130%	140%	150%	160%	170%	180%
12.28%	60%	70%	80%	90%	100%	110%	120%	130%	140%	150%	160%	170%	180%	190%
12.47%	70%	80%	90%	100%	110%	120%	130%	140%	150%	160%	170%	180%	190%	200%
12.66%	80%	90%	100%	110%	120%	130%	140%	150%	160%	170%	180%	190%	200%	210%
12.84%	90%	100%	110%	120%	130%	140%	150%	160%	170%	180%	190%	200%	210%	220%
13.03%	100%	110%	120%	130%	140%	150%	160%	170%	180%	190%	200%	210%	220%	230%
13.22%	110%	120%	130%	140%	150%	160%	170%	180%	190%	200%	210%	220%	230%	240%
13.41%	120%	130%	140%	150%	160%	170%	180%	190%	200%	210%	220%	230%	240%	250%

Pursuant to this performance matrix, if both threshold earnings per share (\$0.70) and threshold return on equity (12.10%) were not achieved, then no NEO would receive a bonus under the Executive Bonus Plan for the 2011 fiscal year. If, however, the threshold level of performance was achieved for both earnings per share and return on equity, then the NEOs would receive a bonus equal to the percentage of their target bonus that corresponds with the Company’s actual earnings per share and return on equity, as set forth on the performance matrix. For example, if earnings per share was \$0.76 and return on equity was 12.66%, then each NEO would receive a bonus equal to 140% of his or her target bonus.

For 2011, the target and maximum bonus opportunities for each of the NEOs is set forth in the table below (expressed as a percentage of the NEOs' rate of base salary in effect on January 1, 2011). The target and maximum bonus opportunities for Messrs. Rocco Ortenzio and Robert Ortenzio and Ms. Rice exceed the target and maximum bonus opportunities for the other NEOs due to a higher level of responsibility.

<u>Named Executive Officer</u>	<u>Target Bonus</u>	<u>Maximum Bonus</u>
Rocco A. Ortenzio	80%	200.0%
Robert A. Ortenzio	80%	200.0%
Patricia A. Rice	80%	200.0%
David S. Chernow	65%	162.5%
Martin F. Jackson	50%	125.0%

In determining the level of the Company's performance for purposes of awarding 2011 bonuses under the Executive Bonus Plan, the Compensation Committee, as required by the terms of the Executive Bonus Plan, calculated the Company's return on equity and earnings per share without regard to the costs (e.g., accounting charges) associated with entering into a new senior secured credit facility in June 2011 (the "Refinancing"). Accordingly, for 2011, the Company achieved earnings per share of \$0.84 (determined without regard to the costs associated with the Refinancing) and the Company's return on equity was 15.13% (determined without regard to the costs associated with the Refinancing). Based on such performance, each NEO received his or her maximum bonus award under the Executive Bonus Plan, as set forth in the "non-equity incentive plan compensation" column of the Summary Compensation Table.

Equity Compensation

At the 2011 Annual Meeting, the Company's stockholders approved the 2011 Equity Plan, which the Company currently maintains. The 2011 Equity Plan was established to provide certain employees of the Company and its subsidiaries (including the NEOs) with incentives to help align those employees' interests with the interests of the Company's stockholders. Awards under the 2011 Equity Plan may be in the form of restricted stock, non-qualified stock options and incentive stock options.

The Company previously maintained the Select Medical Holdings Corporation 2005 Equity Incentive Plan, as amended (the "2005 Equity Plan"). Other than the initial hire grant of restricted stock awarded to Mr. Chernow (as described below), all awards granted under the 2005 Equity Plan to the NEOs became fully vested on or before February 24, 2010. In addition, as described below on the Outstanding Equity Awards at Fiscal Year End table, as of the date of this Proxy Statement, Mr. Chernow holds certain unvested stock option awards granted under the Select Medical Holdings Corporation 2005 Equity Incentive Plan for Non-Employee Directors (the "2005 Director Plan") in respect of his service as a member of the Board of Directors. Following the approval of the 2011 Equity Plan, the Company terminated the 2005 Equity Plan with respect to the grant of new awards.

As described above in the section titled "*Committee Process; Compensation Consultant*," on December 15, 2011, the Compensation Committee awarded four of the NEOs restricted shares of common stock under the 2011 Equity Plan. The number of restricted shares awarded to such NEOs is set forth in the table below. Such shares will cliff vest in full on December 15, 2014, subject to the NEO's continued employment on such date. Pro-rata vesting is provided in the event that a NEO's employment is terminated prior to December 15, 2014 due to death, disability or following a change in control.

<u>Name of Executive</u>	<u>Shares of Restricted Stock Granted</u>
Rocco A. Ortenzio	50,000
Robert A. Ortenzio	100,000
Patricia A. Rice	45,000
Martin F. Jackson	35,000

Perquisites and Other Personal Benefits

The Company provides NEOs with perquisites and other personal benefits that it and the Compensation Committee believe are reasonable and consistent with the Company's overall compensation program to better enable the Company to attract and retain highly skilled NEOs. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to NEOs.

Use of Company Aircraft. The primary perquisite and personal benefit the NEOs are currently provided is the personal use of the Company's aircraft at the Company's expense. In recognition of their contributions to the Company, Messrs. Rocco Ortenzio and Robert Ortenzio and Ms. Rice are entitled to use the Company's aircraft for personal reasons and may be accompanied by friends and family members. Messrs. Rocco Ortenzio and Robert Ortenzio and Ms. Rice must recognize taxable compensation for the value of the personal use of the Company's aircraft by themselves and their friends and family members. Mr. Chernow and Mr. Jackson may use the Company's aircraft in connection with a personal emergency or bereavement matter with the prior approval of the Company's Executive Chairman or Chief Executive Officer.

Physical Examination. The Company offers full reimbursement for the costs associated with an annual comprehensive physical exam for the NEOs, including travel and accommodations, so that a NEO who makes use of the Company's physical exam benefit can be evaluated and receive diagnostic and preventive medical care.

Taxes. As described below under the heading "Potential Payments Upon Termination or Change in Control," each NEO is entitled to a tax gross up payment in the event that any change in control payments which they are entitled to receive constitute "excess parachute payments" within the meaning of Section 280G of the Code.

Attributed costs of the perquisites and personal benefits described above for the NEOs for the fiscal year ended December 31, 2011, are included in the "Summary Compensation Table," below.

General Benefits

The NEOs are also eligible to participate in the Company's group health and dental plans, including short term and long term disability, life insurance (at an amount equal to 100% of base salary), and the Company's 401(k) plan on the same terms and conditions as those plans are available to the Company's employees generally.

Long Term Cash Incentive Plan

The Company's NEOs, other than Mr. Chernow, were eligible to participate in the Company's Long Term Cash Incentive Plan (the "Cash Plan"). The Cash Plan, established in 2005, was designed to provide an incentive to officers to motivate them to achieve a liquidity event for the stockholders of the Company prior to the Company's stock becoming publicly-traded. Upon achieving this goal through the Company's public offering in September 2009, the Cash Plan was terminated, and \$18.0 million in the aggregate was paid under the Cash Plan to the participants. Because Mr. Chernow's employment with the Company did not begin until after the Company's stock became publicly traded, he did not participate in the Cash Plan.

The Cash Plan originally provided a bonus pool of \$100.0 million (to be paid on a pro-rata basis to all participants according to the number of units held in their accounts), payable under two circumstances. First, \$50.0 million would be paid to participants in the event of a change in control or initial public offering of the Company with proceeds to the Company in excess of \$250.0 million in which the value attributable to the Company's stock exceeded a designated valuation. The remaining balance of the bonus pool would be allocated and paid upon a redemption of the Company's preferred stock, when special dividends were paid on the Company's preferred stock or upon a sale of the Company's outstanding preferred stock within the twelve-month period following an initial public offering. A portion of the bonus pool was paid as a result of a special dividend paid on account of the preferred stock in September 2005.

The number of units that were allocated to the account of each of the NEOs prior to the initial public offering in September 2009 is set forth in the table below. The number of units allocated to the accounts of Messrs. Rocco Ortenzio and Robert Ortenzio exceeded the number of units allocated to the other NEOs due to a higher level of responsibility.

<u>Named Executive Officer</u>	<u>Cash Plan Units</u>
Rocco A. Ortenzio	25,000
Robert A. Ortenzio	35,000
Patricia A. Rice	15,000
Martin F. Jackson	7,000

Because the Company did not expect the designated stock value targets to be achieved upon the initial public offering and because the conversion of the preferred stock would not result in payment under the Cash Plan, the Company amended the Cash Plan in 2009 so that it would still provide an incentive for participants to assist the Company in consummating the public offering. The Board of Directors therefore amended the Cash Plan, effective August 12, 2009, to provide for an aggregate payment under the Cash Plan of \$18.0 million upon the completion of an initial public offering on or prior to March 31, 2010. Each participant's payment upon such an event was equal to the product of (1) \$18.0 million, and (2) the number of units held by such participant, divided by the total number of units outstanding under the Cash Plan. Following such payment, all units under the Cash Plan were forfeited and no participant was entitled to any further benefit or payment under the Cash Plan. Upon the completion of the Company's initial public offering in September 2009, each of the NEOs received the following payments under the Cash Plan:

<u>Named Executive Officer</u>	<u>Cash Plan Payment (\$)</u>
Rocco A. Ortenzio	4,500,000
Robert A. Ortenzio	6,300,000
Patricia A. Rice	2,700,000
Martin F. Jackson	1,260,000

These amounts are included in the 2009 "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table, below.

Employment Agreements

It is the Company's general philosophy that all of the Company's employees should be "at will" employees, thereby allowing both the Company and the employee to terminate the employment relationship at any time and without restriction or financial obligation. However, in certain cases, the Company has determined that, as a retention device and a means to obtain non-compete arrangements, employment agreements and change in control agreements are appropriate.

Messrs. Rocco Ortenzio and Robert Ortenzio and Ms. Rice each entered into an employment agreement with Select on March 1, 2000. Each of these employment agreements provides for a three-year term which is automatically extended for an additional year on each anniversary of the effective date of the employment agreement, thereby causing the agreements to have a three-year term as of each anniversary of the effective date. Either Select or the executive may elect to not extend the term of the employment agreement by providing advance written notice of non-renewal to the other party. These employment agreements also prohibit the executives from (i) participating in any business that competes with Select or any of its affiliates within a 25 mile radius of any of Select's or its affiliates' hospitals or outpatient rehabilitation clinics during employment and for two years thereafter, and (ii) soliciting any of Select's employees for one year after the termination of his or her employment.

Mr. Chernow entered into an employment agreement with Select on September 13, 2010. Mr. Chernow's employment agreement provides for a three-year term which is automatically extended for successive one-year periods beginning on the third anniversary of the effective date of the employment agreement. Either Select or Mr. Chernow may elect to not extend the term of the employment agreement by providing advance written notice

of non-renewal to the other party. Mr. Chernow's employment agreement also prohibits him from, during employment and for the two-year period thereafter, (i) participating in any business that competes with Select or any of its affiliates within a 50 mile radius of any of Select's or its affiliates' facilities or the facilities of any customer in which or to whom Mr. Chernow provided services during the twelve-month period prior to his termination, and (ii) soliciting any of Select's employees, clients or customers.

The employment agreements for Messrs. Rocco Ortenzio, Robert Ortenzio and Chernow and Ms. Rice also provide for certain severance benefits in the event of a termination of employment, as described below under the section titled "Potential Payments upon Termination or Change in Control."

Mr. Jackson is an employee-at-will, and accordingly, elements of his annual compensation are subject to review and adjustment by the Compensation Committee. However, Mr. Jackson is a party to a change in control agreement with Select that provides for severance upon his termination of employment in connection with a change in control, as described below in the section titled "Potential Payments upon Termination or Change in Control."

In March 2011, Select amended the employment agreements for each of Messrs. Rocco Ortenzio, Robert Ortenzio and Chernow and Ms. Rice, and the change in control agreement for Mr. Jackson. The agreements for the NEOs other than Mr. Chernow were amended to remove the requirement that the per share stock price of Select must be at least \$3.75 in order for a transaction to constitute a change in control under the agreements. Mr. Chernow's employment agreement was amended to provide that if Mr. Chernow's employment is terminated in connection with an event that would constitute a change in control but for the fact that such minimum level of consideration is not satisfied (i.e., \$3.75/share), Mr. Chernow will be entitled to receive the same change in control benefits that he would have received had such minimum level of consideration been satisfied, but any cash severance benefits will be payable over the same period as his non-change in control severance benefits. The Compensation Committee believes that this change was necessary because the reference to Select's stock price in the context of a change in control is no longer relevant due to the current corporate structure of the Company and Select (which changed after most of these agreements had been executed). Accordingly, the Compensation Committee believes that these amendments were not material. For tax reasons, the Compensation Committee could not fully remove the minimum consideration requirement from Mr. Chernow's employment agreement.

The terms of each of these agreements, including the severance benefits that may be payable under these agreements, are described below more fully in the section titled "Potential Payments upon Termination or Change in Control."

Rocco A. Ortenzio

Select and Mr. Rocco A. Ortenzio, the Company's co-founder, are parties to an employment agreement, dated as of March 1, 2000, as subsequently amended. Pursuant to the terms of his employment agreement, Mr. Rocco A. Ortenzio is entitled to an annual base salary of \$800,000, subject to adjustment by the Company. Mr. Rocco A. Ortenzio's annual base salary was subsequently adjusted upward by the Company on multiple occasions and was last adjusted to \$950,000 effective January 1, 2012. Mr. Rocco A. Ortenzio is also eligible for bonus compensation under his employment agreement. However, the Executive Bonus Plan, described in the CD&A section above, is the primary mechanism for determining bonus compensation from the Company for Mr. Rocco A. Ortenzio. In addition, Mr. Rocco A. Ortenzio is entitled to up to six weeks paid vacation per year under the terms of his employment agreement.

Robert A. Ortenzio

Select and Mr. Robert A. Ortenzio, the Company's co-founder, are parties to an employment agreement, dated as of March 1, 2000, as subsequently amended. Pursuant to the terms of his employment agreement, Mr. Robert A. Ortenzio is entitled to an annual base salary of \$800,000, subject to adjustment by the Company. Mr. Robert A. Ortenzio's annual base salary was subsequently adjusted upward by the Company on multiple occasions and was last adjusted to \$995,000 effective January 1, 2012. Mr. Robert A. Ortenzio is also eligible for bonus compensation under his employment agreement. However, the Executive Bonus Plan, described in the

CD&A section above, is the primary mechanism for determining bonus compensation from the Company for Mr. Robert A. Ortenzio. Mr. Robert A. Ortenzio is also entitled to up to six weeks paid vacation per year under the terms of his employment agreement.

Patricia A. Rice

Select and Ms. Rice are parties to an employment agreement, effective as of March 1, 2000, as subsequently amended. Pursuant to the terms of her employment agreement, Ms. Rice served as the Company's President and Chief Operating Officer until December 31, 2011, at which time she relinquished her title as Chief Operating Officer of the Company. Ms. Rice still serves as the Company's President. Ms. Rice was initially entitled to an annual base salary of \$500,000 under the terms of her employment agreement, subject to adjustment by the Company. Ms. Rice's annual base salary was subsequently adjusted upward by the Company on multiple occasions and was last adjusted to \$900,000 effective January 1, 2012. Ms. Rice is also eligible for bonus compensation under her employment agreement. However, the Executive Bonus Plan, described in the CD&A section above, is the primary mechanism for determining bonus compensation from the Company for Ms. Rice. Pursuant to an amendment to her employment agreement, Ms. Rice may use her office in Mechanicsburg, Pennsylvania and/or her home offices in Nicholasville or Lexington, Kentucky and St. Petersburg, Florida in carrying out her duties to the Company.

David S. Chernow

Select and Mr. Chernow entered into an employment agreement on September 13, 2010 in connection with his acceptance of the Company's offer of employment. Pursuant to the terms of his employment agreement, Mr. Chernow is entitled to an annual base salary of \$640,000, subject to adjustment by the Company. Mr. Chernow's base salary was last adjusted by the Company to \$740,000 effective January 1, 2012. Mr. Chernow is also eligible to receive bonus compensation, annual or otherwise, in an amount to be determined by the Board of Directors in its sole discretion. However, the Executive Bonus Plan, described in the CD&A section above, is the primary mechanism for determining bonus compensation from the Company for Mr. Chernow. In addition, Mr. Chernow is entitled to paid time off in accordance with the Company's paid time off policies in effect from time to time.

2012 Compensation Decisions

At its meeting on December 15, 2011, the Compensation Committee decided to increase the base salary of each NEO, effective January 1, 2012, as follows: the base salary for Mr. Rocco A. Ortenzio was increased to \$950,000; the base salary for Mr. Robert A. Ortenzio was increased to \$995,000; the base salary for Ms. Rice was increased to \$900,000; the base salary for Mr. Chernow was increased to \$740,000; and the base salary for Mr. Jackson was increased to \$600,000. After considering the compensation information prepared by McDaniel, the Compensation Committee believes that these base salary increases are necessary to ensure that each NEO's total compensation is competitive within our industry. In addition, the Compensation Committee believes that these base salary increases were appropriate because Messrs. Rocco Ortenzio and Robert Ortenzio and Ms. Rice had not received any base salary increases since April 1, 2009, Mr. Jackson had not received a base salary increase since August 28, 2010 and Mr. Chernow's base salary was still set at his initial hire rate.

The Compensation Committee also decided, at its December 15, 2011 meeting, to increase the target and maximum bonus opportunities for Messrs. Chernow and Jackson for the 2012 fiscal year to 80% of base salary and 200% of base salary, respectively, and to increase the target and maximum bonus opportunities for Mr. Robert A. Ortenzio for the 2012 fiscal year to 100% of base salary and 250% of base salary, respectively. The Compensation Committee determined that it was appropriate to bring the bonus opportunities for Messrs. Chernow and Jackson in line with the bonus opportunities for the other NEOs (other than our chief executive officer), as well as to accurately reflect their roles and level of responsibility in the Company. The Compensation Committee decided to increase the bonus opportunities for Mr. Robert A. Ortenzio to better reflect his role as our chief executive officer and the level of his responsibilities compared to our other NEOs. The Compensation Committee believes that, after considering the compensation information prepared by McDaniel, the bonus opportunities for our NEOs, as so revised, make their total compensation package competitive within our industry.

In making these base salary and bonus opportunity increases, the Compensation Committee did not attempt to set the base salary and bonus opportunities of the NEOs at any specific level compared to the named executive officer base salary and bonus opportunities of the comparable companies identified by McDaniel. Instead, the Compensation Committee set such base salary and bonus opportunities at levels that it believes are sufficient to attract and retain highly skilled executive officers.

Tax and Accounting Considerations

The Company considers tax and accounting implications in determining all elements of its compensation programs. Section 162(m) generally denies a deduction to any publicly held corporation for compensation (other than qualified performance-based compensation) exceeding \$1,000,000 paid in a taxable year to the chief executive officer or any one of the next three most highly compensated officers (other than the chief financial officer) reported in the “*Summary Compensation Table*” below. The Compensation Committee considers the impact of this deductibility limit on the compensation that it intends to award, and attempts to structure compensation such that it is deductible whenever possible and appropriate. However, while the Compensation Committee is cognizant of the applicable requirements for qualified performance-based compensation, it may exercise its discretion to award compensation that does not meet such requirements when it considers it in the best interests of the Company to do so.

When establishing executive compensation, the Compensation Committee considers the effect of various forms of compensation on the Company’s financial results. In particular, the Compensation Committee considers the potential impact, on current and future financial results, of all equity compensation that it approves.

(1) The dollar amounts reported in this column for 2009 represent discretionary bonuses paid to the NEOs. The Compensation Committee determined that it was appropriate to award discretionary bonuses to the 2009 NEOs in recognition of (i) the fact that the Company’s financial results for 2009 exceeded budgeted amounts, (ii) the Company’s adaptation to an increasingly difficult and complex regulatory environment, (iii) management’s work with industry and government officials on regulations affecting our business, (iv) continued improvements in our cost management, and (v) the completion of our initial public offering.

- (2) The dollar amounts reported in this column represent the grant date fair value calculated according to Financial Accounting Standards Board Accounting Standards Codification Topic 718 (“ASC 718”) of restricted stock awards granted in the applicable fiscal year. See Note 10 to the Consolidated Financial Statements included in the Annual Report for a discussion of the relevant assumptions used in calculating value pursuant to ASC 718.

The amounts reported in this column for 2009 represent the payments to each of the NEOs under the Cash Plan, as described in the CD&A section, above.
- (4) The items reported in this column for 2011 are described in the “All Other Compensation” table below.

In addition, these options are subject to accelerated vesting in certain events, as described below in the section titled "Potential Payments upon Termination or Change in Control."

Potential Payments upon Termination or Change in Control

Each of our NEOs may be entitled to certain payments upon termination of employment or a change in control, as described below.

Termination of Employment Not in Connection with a Change in Control

Pursuant to the employment agreements between Select and Messrs. Robert Ortenzio and Rocco Ortenzio and Ms. Rice, upon a termination of employment by the Company without cause (other than due to death or disability) or by the executive officer for good reason, and except with respect to certain terminations in connection with a change in control (as describe below), each such NEO is entitled to receive (1) immediate vesting of any unvested stock options outstanding prior to such termination of employment, (2) a pro-rated bonus for the year of termination (based on actual performance if performance goals have been established for such year), and (3) an amount equal to the base salary he or she would have received over the remainder of the

employment term had no such termination occurred, with such amount to be paid in installments for the remainder of the term of the executive's employment agreement, beginning on the six-month anniversary of such termination of employment. As a condition to receiving such payments, each such executive must execute a release of claims.

Pursuant to the employment agreement between Select and Mr. Chernow, upon his termination by the Company without cause (other than by reason of death or disability or in connection with a change in control), Mr. Chernow is entitled to receive twelve months of continued base salary, with such payments to begin on the Company's first payroll date of the seventh month following the date of such termination (provided that such first payment will include an amount equal to Mr. Chernow's base salary for the period from the date of such termination to the first regular payroll date of the seventh month following such termination). As a condition to receiving such payments, Mr. Chernow must execute a release of claims.

The employment agreements, other than the employment agreement between Select and Mr. Chernow, also entitle the executive officers to receive salary continuation through insurance in the event of a termination of employment by reason of disability. Such salary continuation is at the rate of 100% of base salary for Mr. Rocco Ortenzio and 50% of base salary for each of Mr. Robert Ortenzio and Ms. Rice. In addition, such salary continuation is payable for a period of up to ten years, subject to earlier termination if the executive becomes physically able to resume employment in an occupation consistent with his or her education, training and experience.

Pursuant to the restricted stock agreement entered into with Mr. Chernow on September 13, 2010, in the event that Mr. Chernow's employment terminates due to death or disability, a pro-rata portion of the next tranche of such restricted stock that is scheduled to vest will become vested and the remaining restricted stock will be forfeited. Pursuant to the restricted stock awards granted to Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice, a pro-rata portion of the awards will vest in the event of a termination of employment prior to December 15, 2014 as a result of death or disability. All other unvested restricted stock held by the NEOs will be forfeited upon their termination of employment with the Company for any reason (except as otherwise provided below in the Section titled "Change in Control").

For purposes of the employment agreements, "cause" is generally defined as (i) the willful and continued failure of the executive to substantially perform his or her duties, (ii) the engaging by the executive in willful or reckless misconduct which is demonstrably and materially injurious to Select, or (iii) the conviction of the executive of a felony involving moral turpitude. In addition, "good reason" is generally defined as (i) the assignment to the executive of any duties inconsistent in any material respect with his or her position, authority, duties or responsibilities, or any other action by Select which results in a material diminution or material adverse change in such position, status, authority, duties or responsibilities, (ii) any failure by Select to comply with its duties to provide the executive with compensation and benefits, (iii) a requirement that the executive be based at any office or location other than Mechanicsburg, Pennsylvania or within 25 miles of such location or (iv) any failure by Select to cause its successor to assume its obligations under the employment agreement.

Set forth in the table below are the amounts that would be payable to each of the NEOs upon termination of employment without cause, for good reason or due to death or disability, and not in connection with a change in control, assuming that such termination occurred on December 31, 2011.

(1) Because the amounts set forth in the table above assume a termination of employment on December 31, 2011, the amounts reported in this column reflect each such NEO's full bonus for the 2011 fiscal year.

- (2) The amount reported in this column represents the applicable amount of salary continuation payable over the ten-year period following the date of termination of employment for disability, subject to termination if the NEO becomes physically able to resume employment.
- (3) With respect to Mr. Chernow, represents the value of 108,120 shares of restricted stock vesting on December 31, 2011, based on the closing price of the common stock on December 30, 2011 (\$8.48). The number of shares of restricted stock vesting on such date for Mr. Chernow is determined by multiplying the number of shares of restricted stock scheduled to vest at the next vesting date (250,000), by the ratio of (x) the number of days that elapsed from the date of grant through December 31, 2011 (474) to (y) the number of days in such vesting period (1,096). With respect to Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice, represents the value of 730, 1,460, 511 and 657 shares of restricted stock, respectively, vesting on December 31, 2011, based on the closing price of the common stock on December 30, 2011 (\$8.48). The number of shares of restricted stock vesting on such date is determined by multiplying the number of shares of restricted stock granted to each such NEO by the ratio of (x) the number of days that elapsed from the grant date through December 31, 2011 (16) and (y) the total number of days in the vesting period (1,096).

Change in Control

Messrs. Rocco Ortenzio's and Robert Ortenzio's and Ms. Rice's employment agreements provide for change in control severance benefits if (1) within the one-year period immediately following a change in control, such executive's employment is terminated by the Company without cause or such executive terminates his or her employment for any reason, or (2) within the six-month period immediately preceding a change in control, such executive's employment is terminated without cause and the terminated executive reasonably demonstrates that his or her termination was at the request of a third party who took steps to effect the change in control. In the event of such a termination of employment, such executives are entitled to receive (i) a pro-rated bonus for the year of termination (based on actual performance if performance goals have been established for such year), (ii) an amount equal to his or her base salary and bonus for the previous three completed calendar years, with such amount to be paid in installments for the remainder of the term of such executive's employment agreement (provided that the first payment shall be made on the first regular payroll date of the seventh month following such termination and shall include the installments that would have otherwise been made during such period), and (iii) immediate vesting of all unvested stock options that were outstanding prior to such termination (with such vesting to occur immediately prior to such change in control).

Mr. Chernow's employment agreement provides for change in control severance benefits if (1) within the one-year period immediately following a change in control, (i) Mr. Chernow's employment is terminated by Select without cause and other than for death or disability, (ii) Mr. Chernow terminates his employment with Select for good reason, (iii) Select reduces Mr. Chernow's compensation from that in effect immediately prior to the change in control, or (iv) Select requires Mr. Chernow to relocate his principal place of employment to a location anywhere other than Select's principal executive offices in (or within 25 miles of) Mechanicsburg, Pennsylvania, or (2) within the six-month period immediately preceding a change in control, Mr. Chernow's employment is terminated by Select other than for cause, death or disability and he reasonably demonstrates that his termination was at the request of a third party who took steps to effect the change in control. In the event of a termination of employment described in clause (1), Mr. Chernow is entitled to receive (i) a lump-sum cash payment equal to his base salary plus bonus for the previous three completed calendar years (or equal to three times his average total annual cash compensation for base salary and bonus for his years of service to Select if less than three years), and (ii) immediate vesting of all unvested stock options that were outstanding prior to such termination. In the event of a termination described in clause (2), Mr. Chernow is entitled to receive an amount equal to his base salary plus bonus for the previous three completed calendar years (or equal to three times his average total annual cash compensation for base salary and bonus for his years of service to Select if less than three years), with such amount to be paid in equal installments on each of the Company's regular payroll dates over the twelve (12) month period following such termination; provided that the commencement of such payments shall be delayed until the first payroll date of the seventh month following such termination; provided further that the first payment made shall include the payments that otherwise would be made had the delay described in the preceding clause not been imposed. In addition, all of the restricted stock granted to Mr. Chernow on September 13, 2010, and all of the options granted to Mr. Chernow under the 2005 Directors Plan, will become fully vested (and exercisable, if applicable) upon the occurrence of a change in control (as defined above in the section titled "Equity Compensation").

Select has entered into a change in control agreement with Mr. Jackson. This agreement provides that if (1) within a five-year period immediately following a change in control, Select terminates Mr. Jackson without

cause, Mr. Jackson terminates his employment because Select reduced his compensation from that in effect prior to the change in control or Select relocates Mr. Jackson's principal place of employment to a location more than 25 miles from Mechanicsburg, Pennsylvania, (2) within the six-month period immediately following the change in control, Mr. Jackson terminates his employment for good reason, or (3) within the six-month period immediately preceding the change in control, Select terminates Mr. Jackson's employment without cause and he reasonably demonstrates that his termination by Select was at the request of a third party who took steps to effect the change in control, Select is obligated to pay Mr. Jackson, on the first day of the seventh month following such termination, a lump-sum cash payment equal to his base salary plus bonus for the previous three completed calendar years. In addition, in the event of such a termination, all of Mr. Jackson's stock options will become fully vested upon the later of such termination or change in control.

Each of the restricted stock awards granted to Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice on December 15, 2011 provide that a pro-rata portion of the restricted stock will vest in the event that any such NEO's employment is terminated following a change in control (as defined in the 2011 Equity Plan).

In addition to the benefits described above, each NEO is entitled to receive a tax gross-up payment in the event that any change in control payments which he or she is entitled to receive constitute "excess parachute payments" within the meaning of Section 280G of the Code. The tax gross-up payment will equal the amount necessary to place the NEO in the same position as if no penalty under Section 4999 of the Code had been imposed on any of the change in control payments, including on the tax gross-up payment.

For purposes of the agreements with Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice, as described above, a "change in control" is generally defined to include: (1) the acquisition by a person or group, other than certain controlling stockholders, of more than 50% of the voting shares of the Company or Select; (2) during any twelve-month period, the acquisition of at least 33% of the voting shares of the Company or Select; (3) during any twelve-month period, there is a change in the majority of the Board of Directors of the Company or Select; (4) a business combination of the Company or Select in which the stockholders of the corporation involved in the business combination cease to own shares representing more than 50% of the voting power of the surviving corporation; or (5) during any twelve-month period, a sale of all or substantially all the assets of the Company or Select, other than to an entity controlled by the stockholders of the selling corporation prior to the sale.

For purposes of Mr. Chernow's employment agreement, a "change in control" is generally defined to include: (1) the acquisition by a person or group, other than certain controlling stockholders, of more than 50% of the voting shares of the Company or Select; (2) during any twelve-month period, there is a change in the majority of the Board of Directors of the Company; (3) a business combination of the Company or Select in which the stockholders of the corporation involved in the business combination cease to own shares representing more than 50% of the voting power of the surviving corporation; or (4) during any twelve-month period, a sale of all or substantially all the assets of the Company or Select, other than to an entity controlled by the stockholders of the selling corporation prior to the sale. Notwithstanding the foregoing, no change in control will be deemed to have occurred unless the transaction provides a specified level of consideration to the stockholders of Select (\$3.75/share, subject to adjustment for certain corporate events). However, on March 21, 2011, Mr. Chernow's employment agreement was amended to provide that if Mr. Chernow's employment is terminated in connection with an event that would constitute a change in control but for the fact that such minimum level of consideration is not satisfied, Mr. Chernow will be entitled to receive the same change in control benefits that he would have received had such minimum level of consideration been satisfied, but any cash severance benefits will be payable over the twelve-month period following such termination; provided that the commencement of such payments shall be delayed until the first payroll date of the seventh month following such termination; provided further that the first payment made shall include the payments that otherwise would be made had the delay described in the preceding clause not been imposed.

For purposes of Mr. Jackson's change in control agreement, "cause" has the same meaning as set forth in the employment agreements for Messrs. Rocco Ortenzio, Robert Ortenzio and Chernow and Ms. Rice, as described above in this section. In addition, generally, Mr. Jackson will have "good reason" to terminate his employment if (i) he makes a good faith determination that, as a result of a change in control, he is unable to perform his services effectively or there is any significant adverse change in his authority or responsibilities, as performed

immediately prior to such change in control, or (ii) Select's obligations under the change in control agreement are not assumed by the acquiring entity or any of its affiliates.

Set forth in the table below are the amounts that would be payable to each of the NEOs upon the occurrence of a termination of employment in connection with a change in control, as described above in this section. In addition, the table below sets forth the amounts that would be payable to each of the NEOs upon the occurrence of a change in control. The amounts reported in the table below were calculated assuming that the relevant events occurred on December 31, 2011.

Name	Termination of Employment			Change in Control		
	Cash Severance Payment (\$)	Pro-Rata Bonus Payment (\$) ⁽¹⁾	Equity Vesting Value (\$)	Tax Gross-Up Payment (\$)	Equity Vesting Value (\$)	Tax Gross-Up Payment (\$)

Robert A. Ortenzio	5,296,945	1,697,440	12,381 ⁽²⁾	—	—	—
Patricia A. Rice	4,986,538	1,600,000	5,571 ⁽²⁾	—	—	—
David S. Chernow	3,480,000	—	8,480,090 ⁽³⁾	3,311,185	8,480,090 ⁽³⁾	1,636,714
Martin F. Jackson	2,298,369	—	4,333 ⁽²⁾	—	—	—

(1) Because the amounts set forth in the table above assume a termination of employment on December 31, 2011, the amounts reported in this column reflect each such NEO's full bonus for the 2011 fiscal year.

(2) With respect to Messrs. Rocco Ortenzio, Robert Ortenzio and Jackson and Ms. Rice, represents the value of 730, 1,460, 511 and 657 shares of restricted stock, respectively, vesting on December 31, 2011, based on the closing price of the common stock on December 30, 2011 (\$8.48). The number of shares of restricted stock vesting on such date is determined by multiplying the number of shares of restricted stock granted to each such NEO by the ratio of (x) the number of days that elapsed from the grant date through December 31, 2011 (16) and (y) the total number of days in the vesting period (1,096).

(3) Represents the value of (x) 1,000,000 shares of restricted stock vesting on December 31, 2011, based on the closing price of the Company's common stock on December 30, 2011 (\$8.48) and (y) the spread on 600 options that would become vested upon a change in control (which equals the closing price of our common stock on December 30, 2011 (\$8.48), less the exercise price per share of such stock options (\$8.33)). The remainder of Mr. Chernow's unvested stock options are not assigned any value on the table because the value of the Company's stock on December 30, 2011 was less than the exercise price of each such option.

Director Compensation Table

The following table shows information concerning the compensation that the Company's non-employee directors earned during the fiscal year ended December 31, 2011.

Name	Fees Earned or Paid in		Total (\$)
	Cash (\$)	Stock Awards (\$) ⁽²⁾	
Russell L. Carson ⁽¹⁾	—	—	—
Bryan C. Cressey	65,000	35,700	100,700
James E. Dalton, Jr.	95,000	35,700	130,700
James S. Ely III	82,000	35,700	117,700
William H. Frist, MD	60,000	35,700	95,700
Thomas A. Scully ⁽¹⁾	—	—	—
Leopold Swergold	89,000	35,700	124,700

(1) Messrs. Carson and Scully did not receive any compensation for their services as members of the Board during 2011 because they are affiliated with Welsh, Carson, Anderson & Stowe, and are therefore not independent directors.

(2) The dollar amounts reported in this column represent the grant date fair market value (calculated in accordance with ASC 718) of stock awards granted during the 2011 fiscal year. See Note 10 to the Consolidated Financial Statements included in the Annual Report for a discussion of the relevant assumptions used in calculating value pursuant ASC 718. As of December 31, 2011, the total number of outstanding stock and option awards for each director listed in the table above is set forth below:

<u>Name</u>	<u>Shares Outstanding Subject to Stock Awards (#)</u>	<u>Shares Outstanding Subject to Option Awards (#)</u>
Russell L. Carson	—	—
Bryan C. Cressey	9,000	—
James E. Dalton, Jr.	9,000	18,000
James S. Ely III	9,000	9,000
William H. Frist, MD	13,000	—
Thomas A. Scully	—	—
Leopold Swergold	9,000	18,000

The Company does not pay directors fees to employee directors. However, such directors are reimbursed for the expenses they incur in attending meetings of the Board of Directors or board committees. In fiscal year 2011, non-employee directors, other than non-employee directors affiliated with Welsh, Carson, Anderson & Stowe, received cash compensation in the amount of \$12,000 per quarter, and the following for all meetings attended other than Audit and Compliance Committee meetings: \$3,000 per board meeting attended in person, \$600 per telephonic board meeting, \$500 per telephonic committee meeting, \$1,000 per committee meeting held in conjunction with a board meeting and attended in person and \$2,000 per committee meeting held independent of a board meeting and attended in person. For Audit and Compliance Committee meetings attended, all members received the following: \$4,000 per Audit and Compliance Committee meeting attended in person and \$2,000 per telephonic Audit and Compliance Committee meeting. In addition, the chairperson of the Audit and Compliance Committee received an additional \$2,000 per Audit and Compliance Committee meeting attended in person and an additional \$1,000 per telephonic Audit and Compliance Committee meeting. Additional fees may be paid for service on other committees created by the Board of Directors from time to time.

The compensation reports prepared by McDaniel include compensation information regarding non-employee directors. However, the Compensation Committee has not made any changes to the compensation of our non-employee directors based on such reports, although it is possible that the Compensation Committee may revisit such reports in the future and make adjustments to non-employee director compensation.

Equity Awards

The Company currently maintains the Select Medical Holdings Corporation 2005 Equity Incentive Plan for Non-Employee Directors, as amended (the “2005 Director Plan”). 75,000 shares of the Company’s common stock are reserved for option awards under the 2005 Director Plan and 450,000 shares of the Company’s common stock are reserved for restricted stock awards under the 2005 Director Plan.

On August 3, 2011, the Compensation Committee granted 5,000 shares of restricted stock under the 2005 Director Plan to each of the Company’s non-employee directors other than Messrs. Carson and Scully. Each grant of restricted stock vests at the rate of 20% on each of the first five anniversaries of the grant date.

**NON-BINDING ADVISORY VOTE ON THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS
PROPOSAL #2**

As required by Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Company is providing its stockholders with the opportunity to cast an advisory vote on the compensation of its NEOs, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion beginning on page 9 of this Proxy Statement. At the Company’s annual meeting of stockholders held in May 2011, a substantial majority of the votes cast on the say-on-pay proposal were voted in favor of the proposal. The Compensation Committee believes that this affirms our stockholders’ support of the Company’s approach to executive compensation.

The Company’s goal for its executive compensation program is to reward the NEOs’ contributions to the Company’s financial performance and provide overall compensation sufficient to attract and retain highly skilled NEOs who are properly motivated to contribute to the Company’s financial performance. The Company believes that it achieves these goals by (i) offering competitive base salaries to the NEOs, (ii) offering the NEOs participation in an annual incentive plan that provides for payouts only in the event that pre-determined financial targets are achieved, (iii) tying a substantial portion of each NEO’s annual compensation directly to the Company’s performance, and (iv) when appropriate to ensure that the NEOs have a sufficient ownership interest in the Company, granting equity-based awards.

For a detailed description of the Company’s financial results for fiscal year 2011, please see “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2011. The Company believes that its executive compensation program has played an essential role in its continuing financial success by aligning the long-term interests of its NEOs with the long-term interests of its stockholders.

The Board of Directors encourages the Company’s stockholders to approve the following resolution (the “Executive Compensation Resolution”):

“RESOLVED, that the compensation paid to the Company’s NEOs, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon the Company. However, the Compensation Committee, which is responsible for designing and administering the Company’s executive compensation program, values the opinions expressed by stockholders in their vote on this proposal, and therefore will take such vote into consideration when evaluating the Company’s compensation programs and practices applicable to the NEOs.

The Board of Directors recommends a vote “FOR” the approval of the Executive Compensation Resolution.

AUDIT AND COMPLIANCE COMMITTEE REPORT

The following report of the Audit and Compliance Committee will not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended (the "Acts"), except to the extent that we specifically incorporate this information by reference. The following report shall not otherwise be deemed filed under such Acts.

The Audit and Compliance Committee assists the Company's Board of Directors in its oversight of the Company's financial reporting process. The Audit and Compliance Committee operates pursuant to a charter. As set forth in the charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the United States of America and for reviewing the Company's unaudited interim financial statements. The Audit and Compliance Committee reviews and reassesses the adequacy of the charter on an annual basis. It is not the Audit and Compliance Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The Audit and Compliance Committee will however take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The Audit and Compliance Committee makes recommendations to the Board of Directors with respect to the selection and compensation of the Company's independent registered public accounting firm, the scope of the Company's annual audits, and the fees to be paid to the independent registered public accounting firm. In addition, the Audit and Compliance Committee monitors the performance and independence of the Company's independent registered public accounting firm and approves all services provided to the Company by the independent registered public accounting firm. The Audit and Compliance Committee consults with and reviews recommendations made by the independent registered public accounting firm with respect to financial statements, financial records and financial controls of the Company. The Audit and Compliance Committee meets with management periodically to consider the adequacy of the Company's internal controls and discusses with management the Company's disclosure controls and procedures.

The Board of Directors, in its business judgment, has determined that each of the three directors on the Audit and Compliance Committee is independent as required by the listing standards of the New York Stock Exchange. In addition, the Board of Directors has determined that each member of the Audit and Compliance Committee qualifies as an audit committee financial expert, as defined by the rules and regulations of the SEC, and has financial sophistication in accordance with the rules of the New York Stock Exchange.

In the performance of its oversight function, the Audit and Compliance Committee has reviewed and discussed the audited financial statements for the year ending December 31, 2011 with management of the Company and with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America, its judgment as to the quality, not just the acceptability, of the Company's accounting principles, as well as an opinion on management's assessment of, and the effective operation of, the Company's internal control over financial reporting. The Audit and Compliance Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, SEC Rule 2-07 and such other matters as are required to be discussed under auditing standards generally accepted in the United States of America. The Audit and Compliance Committee received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit and Compliance Committee concerning independence. In addition, the Audit and Compliance Committee discussed with the independent registered public accounting firm its independence, including the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit and Compliance Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its 2011 audit and met with them both with and without management present, to discuss the results of its examination, its evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

Based upon the review, reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit and Compliance Committee referred to above and in the charter, the Audit and Compliance Committee recommended to the Board of Directors that the audited financial statements for the year ending December 31, 2011 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 as filed with the SEC.

The Audit and Compliance Committee has selected the firm of PricewaterhouseCoopers LLP as the independent registered public accounting firm to audit and report upon the Company's financial statements and internal controls over financial reporting for fiscal year 2012. In making this selection, the Audit and Compliance Committee has considered whether PricewaterhouseCoopers LLP's provision of services other than audit services is compatible with maintaining independence.

Arrangements with Our Investors

Holdings' 10% Senior Subordinated Notes

On February 24, 2005, EGL Acquisition Corp., a wholly owned subsidiary of the Company, was merged with Select, with Select continuing as the surviving corporation and a wholly owned subsidiary of the Company (the "Merger Transactions"). Concurrently with the consummation of the Merger Transactions, the Company issued to WCAS Capital Partners IV, L.P., an investment fund affiliated with Welsh, Carson, Anderson & Stowe, Rocco A. Ortenzio and Robert A. Ortenzio, \$141.0 million, \$3.0 million and \$1.0 million, respectively, in principal amount of the Company's 10% senior subordinated notes. In June 2011, the Company repaid all of its existing 10% Senior Subordinated Notes with proceeds of Select's senior secured credit facilities. Since January 1, 2011 and prior to such repurchase, the Company made interest payments to WCAS Capital Partners IV, L.P., Rocco A. Ortenzio and Robert A. Ortenzio in the amount of \$11,750,000, \$250,000 and \$83,333, respectively.

Other Arrangements with Directors and Executive Officers

Lease of Office Space

The Company leases its corporate office space located at 4714, 4716, 4718 and 4720 Gettysburg Road in Mechanicsburg, Pennsylvania ("Corporate Office"), from, respectively, Old Gettysburg Associates, Old Gettysburg Associates II, Old Gettysburg Associates III and Old Gettysburg Associates IV. Old Gettysburg Associates is a general partnership that is owned by Rocco A. Ortenzio, Executive Chairman of the Company, Robert A. Ortenzio, Chief Executive Officer of the Company, and John M. Ortenzio, the son of Rocco A. Ortenzio and brother of Robert A. Ortenzio (collectively, the "Ortenzios"). Old Gettysburg Associates II, Old Gettysburg Associates III and Old Gettysburg Associates IV (collectively, the "Ortenzio Partnerships") are limited partnerships owned by the Ortenzios, as limited partners, and Select Capital Commercial Properties, Inc., as the general partner. Each of the Ortenzios own one-third of Select Capital Commercial Properties, Inc.

The Corporate Office consists of approximately 132,138 square feet of office space under nine separate leases. Leases for approximately 96,418 square feet will expire on January 31, 2023. Leases for approximately 22,296 square feet will expire on December 31, 2014. Leases for approximately 13,424 square feet will expire on July 31, 2013.

The Company currently pays to the Ortenzio Partnerships approximately \$3.4 million per year in base rent. The Company obtained independent appraisals at the time it executed such leases in order to support the amount of rent it pays for the Corporate Office. Base rental rates currently range from \$20.12 to \$26.94 per square foot under such leases. Base rent under such leases is increased annually based on either a fixed percentage of between 3% and 4% or a percentage determined by reference to a consumer price index. The leases generally include an operating expense allowance with the Company responsible for its pro-rata share of operating expenses in excess of such allowance. In fiscal year 2011, the Company paid to the Ortenzio Partnerships an aggregate amount of \$4.0 million for office rent, various improvements to the Corporate Office and miscellaneous expenses.

Approval of Related Party Transactions

The Company does not have a formal written policy for review and approval of transactions required to be disclosed pursuant to Item 404(a) of Regulation S-K. However, the Company's practice is that any such transaction must receive the prior approval of both the Audit and Compliance Committee and a majority of the non-interested members of the Board of Directors. In addition, it is the Company's practice that, prior to any related party transaction of the type described under "—Other Arrangements with Directors and Executive Officers—Lease of Office Space," an independent third-party appraisal is obtained that supports the amount of rent that the Company is obligated to pay for such leased space. All related party lease transactions have been unanimously approved by all of the non-interested members of the Board of Directors.
